SUBMISSION OF ADDITIONAL FEES

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Dear Sir:

On August 29, 2005, applicants made an electronic submission of a substitute specification for the above-captioned application. The original specification filed March 14, 2005 contained 36 claims and fees were submitted for 36 claims. The substitute specification submitted electronically on August 29, 2005 contained 37 claims, which includes the addition of one dependent claim. No new matter was added.

As such, at this time we would like to submit additional fees for the addition of one dependent claim on the substitute specification. The fee for an additional claim is believed to be \$50.00. However, the applicant claims small entity status and as such the final fee is believed to be \$25.00. Credit card payment form PTO-2038 in the amount of \$25.00 is enclosed. Nevertheless, the Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment, to Deposit Account No. 15-0610.

Respectfully submitted,

Carl Oppedahl
